Elk Point wins Gold Medal

The Elk Point Midgets returned home triumphant after receiving gold medals in the Midget C division of the Northeastern Alberta Games held in Vermilion and area Friday, February 3 though to Sunday, February 5.

The actual tournament took place in Mannville Recreation Centre with teams from all over par-

ticipating. Lac La Biche earned silver medals and Mannville Calta Midgets picked up the bronze.

Announcing the winners, Dean McMullen, overall sports co-ordinator for the games, mentioned that the players "displayed more sportsmanship than what we'll ever understand". After which Mannville Councilman Jim Kitt presented the medals to the players.

Golden Anniversary Celebrated

The Elks Hall was crowded as approximately 400 people turned out to help the Bugera's celebrate their 50th Golden Anniversary on Saturday, February 4, in Elk Point.

Andrew and Rosie Bugera were married in the Norton Valley Church in 1934, and today their marriage vows were blessed again by

Father Markuch.

Andrew Bugera was born in the Ukraine to parents John and Ann Bugera, who immigrated to Canada in 1911 and settled in the Norton Valley District, when Andrew was one year old.

Rosie Bugera was born in the Derwent area to parents Sophie and Joe Bucharski.

Rod Mudryk, grandson of Mr. and Mrs. Bugera, emcee of the occasion, introduced those seated at the head table. On hand were Mr. and Mrs. Bill Bugera, brother of the groom; Mr. and Mrs. Stan Bucharski, sister of the bride; Mr. and Mrs. John Juba; Mr. and Mrs. John Mudryk, daughter; Bridgette and Danny Smith, granddaughter; Mr. and Mrs. Ed Bugera, son; Kim Bugera, granddaughter; and Jessica and Tramaria, great-granddaughters, along with Father Markuch.

The head table was decorated in the traditional and Ukrainian style, with a three tiered white wedding cake beautifully decorated in gold accents, flanked on each side by candles set in lovely flower arrangements, a traditional Ukrainian Koroval complete with the dough birds and flowers placed to the left, followed by a vase holding one dozen red roses.

Special congratulations to the couple came from, Ed Schreyer, the Governor General of Canada; Frank Ledge Stauton, the Lieutenant Governor of Alberta, which were

Silver Medals went to the LacLa Biche Midgets: (back row, left to right) Gino Giacobbo, assistant coach; Jim Nash; Eric Sehn; Randy Giacobbo; Glen Lalonde; Norman Charest; Dean Ferguson; Russell Sehn; Ken Ferguson, coach (front row, left to right) Rick Belanger; Glendall Mazurek; Travis Guinand; Brian Scott; Frent Ferguson and Leslie Brezinski.

delivered by MLA John Drobot, who presented the couple with two Alberta buttons, usually given to executives only. Peter Lougheed and Mr. and Mrs. Mazankowski, also sent warm wishes of congratulation to Mr. and Mrs. Bugera. John Zenko, Councillor of St. Paul, presented the couple with a plaque inscribed with congratulations on their 50th Anniversary. Mayor Buck was on hand, to present the couple with a memento from the Town of Elk Point, along

with a couple of pins.

All persons seated at the head table, delivered short speeches, congratulating the couple, with a few funny anecdotes, reflections, and insights of the couples life being revealed. With the traditional tinkling of glass the honoured couple rose twice to give each other the customary kiss. Both Mr. and Mrs. Andrew Bugera, gave a warm thank you speech at the completion of the ceremonies, slipping from Ukrainian into English

to be understood by all present. Kim Bugera, granddaughter, gave the toast, reciting a lovely poem.

Everyone who attended the affair, was served a delicious meal, which offered a variety of Ukrainian and traditional dishes, and a large selection of pastries and cakes were placed on each table, for dessert.

The ceremony was followed by a Jance upstairs in the hall. Music was supplied by the Melody Tones.

Rosie and Andrew Bugera celebrate their 50th wedding anniversary.

been installed for the pad and tower of the head (receiving) end of the system, while the contractors and materials are on the way for the installation of the main trunk lines which will run along the AGT and Alberta Power poles. Once this job is complete, other crews will arrive to install the drops from these poles to each individual home or business. You will be receiving a phone call prior to the home installation. As well, Saskatoon Telecable requests that you or someone in the family be home during the actual work in your house.

Those Elk Point residents who have not yet signed up for cable and have decided that they would like to, please drop down to Albi Electrical Services (Bill's Appliances) to fill out the appropriate forms, or contact any one of the Elks or Royal Purple members involved in the project.

Chamber News

The Chamber's regular meeting on February 1st saw two visitors in addition to the 18 members present. Visitors were Ms. Brenda Dagg the recently hired Recreation Co-ordinator and Ray Pratch from the Elk Point Gas Company.

President Carol Metz started the meeting and reported that, to date, no price estimate was available from Graphica on the flag and or banner for the Chamber.

Carol also added that there is no further news on the \$500.00 grant the Chamber is supposed to receive.

A supportive brief to be presented by Mayor Buck at the PUB hearing was drafted by Sid Holthe, a copy was presented to the Chamber and apparently neither Mr. Holthe or Mr. Williams were able to attend the hearing.

Guess Who!

Last week's 'guess who' stumped everyone. Marion Smith thought it was Ed Zarowny; Virginia Smereka thought Mike Habiak was pictured; William Kulczycki thought it was Laurence Modine and Leona Bretzer guessed Ed Zarowny and Archie Pouaschuk. Everyone was wrong.

We'll run the photo one more week. With the above clue, a sure give away, you should have no problem guessing who!

reported that plans for this event are well underway. Letters of invitation have been mailed to the special invited guests. On a decision by the Chamber, wine will be served with the meal, coffee and doughnuts during the meeting, and a gift will be presented to special guest John Drobot along with the member of his cabinet who will be attending. The gift to be presented is a book entitled 'Reflections'. Their meal will also be paid for by the Chamber. The regular meeting of the Chamber on Wednesday, February 15th has been cancelled as this is the day the Annual Meeting will be held

To date, 53 members have signed up, as reported by the membership Committee representative, Paul Stepa. Sid Holthe was not present so the exact number of memberships is not known.

This information should be complete by March 1st. F.C.S.S. Director Kathie Locher, who represents the Welcoming Committee, was on hand to present the Chamber with the just released new updated version of the Community Directory, sponsored and compiled by the F.C.S.S. This Directory can be picked up for free at the F.C.S.S. Office. Kathie also reported that the F.C.S.S. Dept. and the Town are at present establishing information entitled 'Everything you wanted to know about the Town but were afraid to ask', which involves a door to door survey, at which time Kathie will introduce herself as the representative of the Chamber's Welcoming Committee.

Hidden Dummy

The dummy ad didn't present any problem to our readers after all. Correct answers were received from Noreen Rainboth, Sheila Kulczycki, Virginia Smereka, William Kulczycki, Jeremy Organ, Lori Leaf, Cheryl Kukczycki and Sandy Bretzer. The third and therefore winning call was received from Marion Smith. Well done everyone who realized that Co-op does not sell spaghetti by the strand.

There's another dummy ad this week. Don't forget, we only take calls for the dummy ad on Friday morning in order that the people living outside Elk Point can participate also. The third caller is the winner if they guess correctly.

An economical, nutritious, low calorie dish that's simple to prepare using an old favorite - frankfurters.

This week's traffic BUG is driver's who don't signal their intention to turn. Since I have been at Elk Point, we have had several instances where accidents have occurred because of this traffic

offence. Not signalling plus veering left before turning right or right before turning left has caused a following driver to proceed to pass and then being turned into by the turning vehicle.

Wainwright meeting

The winter sub-executive meeting was held at Wainwright Grace United Church on January 17 at 10 a.m. with President Olive Frissell in the chair. Olive welcomed all those present and led in devotions, reading from Romans 8:31-39, closing with prayer.

There were fifteen ladies present and sixteen sent their regrets.

Doris Elliott brought information regarding deputation. Janis Gifford reported several new films available from your Avel Library. Margaret Parkin spoke on

the 1984 Charter of Rights Conference Coalition.

Olive reminded us that the theme this year for Alberta Conference Annual meeting is "Living My Faith". The Conference will be held in Wetaskiwin, April 9-12.

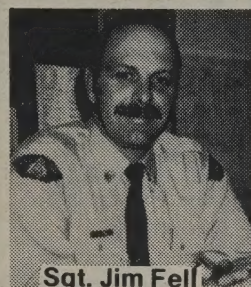

Marian Wallace reported amount of monies on hand.

The St. Paul Presbyterial Annual meeting will be in Vegreville, February 27. Theme being "Jesus Means Life".

The meeting was adjourned. Have a safe trip home.

The law requires that a driver signal his intention to turn and in the case of a left turn, to approach the intersection positioning the vehicle as close to the centre line as possible and then turn left when safe to do so. When turning right, the driver must signal, then position his vehicle as close to the shoulder of the road as possible and then complete the turn. If you are concerned about dropping the rear wheel into the ditch, proceed a little further into the intersection before turning.

In my article about snowmobile regulations, I quoted the price of the license plate as being ten (\$10.00) dollars. I must apologize to anyone who was inconvenienced by this information. The fee is ac-

This month we feature the joint partnership of Roy and Doreen Watson, who own and operate the Watson's/Sears/Barber Shop in Elk Point.

Roy and Doreen moved to this community in 1972. At that time they operated the Elk Point Barber Shop and Pool Hall located where the Capital Drugstore is now situated. From there, they

transferred over to the back suite on their property, at which time Doreen became an agent for Sears, and operated from these premises for approximately three years.

Due to the fact, that they had to re-locate their business, the Watsons purchased what used to be the old liquor store building, and for the past few years, have

operated their business at this location, where they are now.

The Watson's part of the business offers sporting goods, camping supplies, custom made caps and T-shirts, and a variety of giftware. Plans are already in process to improve the variety of merchandise, so one can look forward to a greater variety of articles

within the next couple of months.

The Sears outlet is strictly a catalogue sales office, which Doreen runs on a commission basis. Roy is the sole barber of the business. His hours of operation fluctuated as he is also employed full time with the Canadian Salt Plant, and is a beekeeper in his spare time.

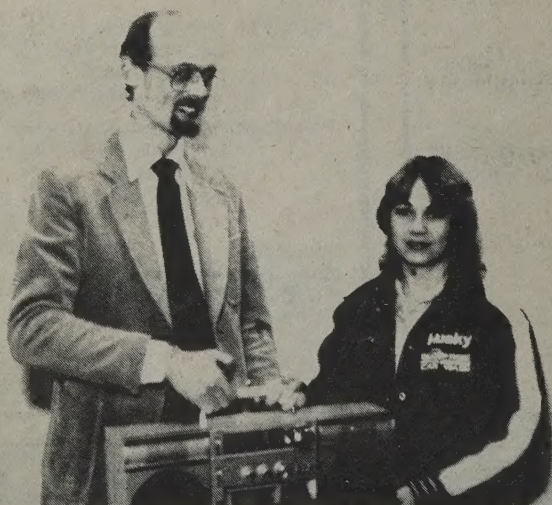

Besides operating Watsons and Sears, Doreen has been involved with the Scout and Cubs organization since 1975.

Doreen and Roy are more than happy to serve you, so come in and take a look around. Hours of Business are Tuesday, Wednesday, Thursday, Friday - from 9:15 a.m. to 5:00 p.m. and Saturdays they are open from 9:15 a.m. TILL NOON. If you require a haircut, the Watson's advise you to phone ahead, due to Roy's shift work at the Salt Plant. The phone number is 724-4203. If you wish to place an order through Sears the number to call is 724-3850.

Chamber, presented the proposed Community Calendar, requesting the Chamber to sponsor this service for the community. The Chamber discussed this matter and final decision was that Kathie be responsible to contact the individual retailers on her own behalf.

Tourism Committee person Ron Barwick brought to the Chamber's attention the upcoming course at Lakeland College which deals with the training of retail staff and

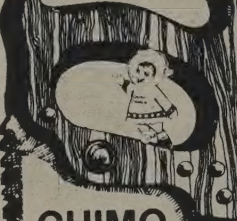

owners concerning courtesy to the customer. Ron went on to say that retailers in this community could definitely benefit from this course. It was also noted by Mr. Barwick that in the just released Community Directory, there is no mention of the Tourist Booth facilities in the Town of Elk Point whatsoever, which he feels is rather disappointing.

Joe Tredger from Elk Point Gas reported that the supportive brief from the Chamber was read and very well received at the PUB hearing. Mr. Tredger went on to say that the final hearing will be held in March. Two days have been set aside for the Elk Point Area, approximate dates are March 26, 27, 28, though these dates have not

been finalized. The matter of canvassing was brought to the Chamber's attention. Apparently, the retailers have been besieged with an enormous amount of requests for sponsorship and donations over the past few weeks. A solution to this problem is hopefully to be made available by the next meeting.

On a motion by Joe Tredger, seconded by Bill Hayman, from this date forth the Secretary and President will receive their lunch gratis for the amount of work and service they provide for the Chamber.

The next regular meeting of the Chamber will be held on March 7th.

The Warriors then picked up another penalty, given out to Rick Makokis, 2 minutes for highsticking, leaving the Warriors short-handed to score their fifth goal with Dennis Moosewah on assist by Doug Wheeler, and they went ahead to score their sixth goal less

than a minute later, scored by Doug Wheeler assisted by Dennis Moosewah.

Play was then interrupted as a disagreement arose between Elks Murray Cochrane and Warriors Charlie Moosewah, with both men receiving five minute fighting penalties along with a game misconduct. The last 2 minutes of play saw Warriors Robby Cardinal unassisted score the seventh goal for the Warriors. The last penalty was also given to the Warriors, with Dennis Moosewah receiving 2 minutes for slashing. Next home game is February 8th., Elks versus Goodfish.

Special meeting of Town Council

Council convened on Monday, January 30th, to discuss a matter of issues brought to their attention during the regular meeting which was held on January 23rd.

Councillor Kryvenchuk, spokesperson for the Public work's committee, reported on the proposed garbage tendering collection, noting that the estimated cost per year for garbage collection totalled \$3,081.96, which includes administrative costs, repairs, fuel and oil, etc. Councillor Kryvenchuk

went on to say that tendering the garbage collection would benefit the Town with less maintenance, less personnel, and streamline the operation.

Councillor Kryvenchuk put this forth in a motion, which was accepted unanimously by Council subject to review of the bylaw. CARRIED.

The Water Treatment Plant was once again under much discussion by Council. Cost for the installation of the permagnate feeder is quoted

at \$3,050.00. It was also noted that the chemicals for the feeder would cost approximately \$170.00 per year. Councillor Cooper moved that the potassium permagnate feeder be installed at the quoted price of \$3,050.00 including all necessary parts, subject to review by the Committee. CARRIED.

In regards to several bills submitted by Fernhout for repairs etc. pertaining to the Water Treatment Plant, Mayor Buck moved that the Administrator and the Committee review them with Mr. Fernhout before the next regular meeting of Council. CARRIED.

of west half for tax purposes, 6. share water line costs.

Councillor Stepaniuk moved that the half of the off-site levies be paid when the development agreement is signed, with the balance to be paid within one year. CARRIED.

Mayor Buck moved that the paving requirements stand as written in the agreement with no waiver. CARRIED.

Councillor Kryvenchuk moved to support the rezoning of R3 to RMH 1 if necessary. CARRIED.

Councillor McCuaig moved to accept the dual servicing of lots, as long as this provides dual sewer lines from the property to the main lateral. CARRIED.

Mayor Buck moved that the request to omit registration of the west half for tax purposes be denied. CARRIED.

Councillor Stepaniuk moved that the request for sharing the cost of the water main line be denied. CARRIED.

Council also decided on a motion by Councillor McCuaig that this issue must be settled no later than February 8th, 1984, at which time the agreement must be signed, or the agreement will be cancelled in whole.

Mr. Schueler was present to bring to Councils attention a number of points brought up at the last meeting of Council concerning the ambulance contract. Schueler went on to say that he has upgraded his standard of service, which he feels is well above the provincial requirements, and that he has recently moved in much higher qualified staff, along with purchasing additional equipment. Council will review this matter and notify Mr. Schueler of their decision.

Council then moved to hold the remainder of the meeting "in camera" to discuss the balance of the evenings business.
